

THE SMALL PRINT

1 Our agreement

- 1.1 **Commencement.** This agreement contains our standard terms and conditions. When you (i) enter your PIN and so request us to activate your SIM on the network; or (ii) open our sealed package; or (iii) use the network other than for emergency calls or calls to our Customer Services department; or (iv) give us authority to debit your nominated bank account; or (v) request a port-in, you will be asking us to give you access to our services and the network on the terms of this agreement. When we accept your request we will connect your SIM to our service and open an account in your name. This will then constitute a binding agreement between us.
- 1.2 **Undertakings.** This agreement will remain in force and we will make our service available to you if you are a customer and you:
- (a) comply with your obligations in terms of this agreement, follow our guidelines and give us the information we ask for;
 - (b) stay within the range of the network or our roaming partners' network;
 - (c) don't breach any laws or regulations applicable to the services or their use;
 - (d) don't use the service (i) unlawfully; or (ii) for an unlawful or abusive purpose; or (iii) to access or send anything unlawful; or (iv) knowingly or carelessly allow any other person to do so. Examples of such unlawful or abusive use include, for example, infringing another person's rights, defaming another person, doing anything which may reasonably be considered to be offensive, abusive, discriminatory, indecent or a nuisance, sending spam, hacking, phishing or transmitting anything which contains viruses or other software, code, programmes or files which may damage any software or equipment;
 - (e) only use the services with the equipment and SIMs we have approved;
 - (f) don't abuse our service, don't use the service in such a way as to interfere with other customers' use of the service or jeopardise the operation of the network or knowingly or carelessly allow any other person to do so; and
 - (g) pay your bills on time,

and unless either of us terminates this agreement as provided for in it.

- 1.3 **Minors.** If you are not yet 18, your parent or guardian will need to assist you in entering into this agreement.
- 1.4 **Deliveries.** If we agree to deliver anything to you, you must accept delivery personally. We may charge you a delivery fee and if you decide to return the package to us, you may be liable for an administrative fee, depending on your reason for returning the package. The administrative fee will be debited from your account and will be in addition to any fee we may charge for usage of the phone.
- 1.5 **Signing and providing documentation.** You will need to sign the Virgin Vitals and return them to us. We also need your ID, proof of address and other documents which the law requires us to collect from you from time to time.
- 1.6 **Information.** You agree to give us such information about you as we may require and you authorise us to make use of this information in order to open your account, credit check you, debit your bank account or credit card, comply with legislation or provide a better service to you. If you are a business customer you will need to give us business info. You warrant that all information provided to us is and remains true and correct.
- 1.7 **Marketing communications.** Unless you tell us otherwise, you agree that we can send you promotional and other marketing material in order to keep you posted on special offers and useful information from the Virgin group of companies. If you change your mind about this, you must let us know and we will immediately stop sending you any further marketing material. We may need to send you other important messages, which are not marketing material, such as information about your account, your charges or the network, if required by law or if necessary for us to provide the services to you, whether we have your consent or not.
- 1.8 **Promotions.** Additional or different terms and conditions may apply when you accept special promotions and offers. These conditions will be available on our website from time to time. We also may make offers exclusively to some customers. You will need to check if you qualify for these offers. We reserve the right to withdraw or alter any promotional offering at any time.
- 1.9 **Language.** You can ask ICASA to provide you with these terms and conditions in another language.

2 Providing service to you

- 2.1 **Availability.** We'll try to make our service available to you at all times, but quality and availability could be affected by factors outside our control, like, for example, the weather, weak signals, use of the services by other customers, the network, network coverage, bandwidth capacity, technology speeds and faults in other networks. The network and our service may also need upgrading, maintenance or other work which may result in interruptions or unavailability, which we may not be able to do anything about. Where possible, we will advise you in advance of such interruptions or unavailability. We'll take all reasonable steps within our control to ensure that the services are made available to you.
- 2.2 **Coverage.** Please check the coverage availability in your area with us before you use the service. The coverage map is available on our website.
- 2.3 **Phone number.** We will give you the use of a phone number. If obliged by ICASA, we may need to change, withdraw, suspend or re-assign your phone number.
- 2.4 **No reselling.** You may not sell or otherwise make our services and our rates available to others or commercially exploit them in any way.
- 2.5 **Password.** You agree that if we give you a PIN or a password to use on our website or to order any services over your phone or the internet, then if your PIN or password is correctly entered, we can bill you for whatever charges, costs and other expenses are incurred as a result, whether by you or anyone else, and you will be liable to pay them.

3 Charges and payment

- 3.1 **Credit Limits.** We may refuse to provide you with certain premium rate services, international calls, international roaming, or other services; or impose credit limits on those services at any time if you do not qualify.
- 3.2 **Tariffs.** All our tariffs are available on our website or in-store or you can call our Customer Services department for a copy. We update our tariffs from time to time.
- 3.3 **Payment Options.** You can pay the charges (i) in advance, using the Prepay options; or (ii) where we agree, in arrears on the Contract packages, subject to you meeting any conditions we impose from time to time like passing a credit check and agreeing to paying the charges by debit order from any one of your bank accounts, or your credit card, or as we may agree; or (iii) by topping-up your Prepay or Contract package at any time with top up vouchers.

- 3.4 **Top ups and credits.** You can't convert or redeem top ups, credit, any free offerings, unused airtime or unused data on your account to cash, nor can they be applied against any other accounts with us or to other services you receive from us.
- 3.5 **Charging you.** We will charge you once your SIM has been activated on the system. If you are a Prepay customer we will deduct charges from your Prepay account as you use the services. If you are a Contract customer you must pay all charges on your account, whether or not they've been incurred by you personally. We cannot reverse any transaction on your account unless we charged you by mistake.
- 3.6 **Minimum monthly commitment.** If you have a Top Up airtime package or a Contract package you will be charged the minimum monthly commitment each and every month, even if you do not actually spend that amount in that month. International roaming will not count towards your minimum monthly commitment and will be charged separately on your Contract package.
- 3.7 **Debit orders.** You must pay your minimum monthly commitment by debit order from your bank account or your credit card. If you have a monthly debit order on your bank account in our favour, you can buy various value added services. If your debit order fails or is rejected, we may change the date of your debit order. If, for any reason, you make payment of your minimum monthly commitment in cash or via electronic transfer, and not via a debit order, you must make payment in full on or before the 20th of every month. You will also be liable for an R 15 administrative fee on each monthly payment we receive in cash or via electronic transfer.
- 3.8 **Airtime Carried Forward.** You can accumulate a maximum amount of unused airtime of up to 3 months your monthly commitment amount at any point in time.
- 3.9 **Talk limits.** Depending on the package you choose and your credit rating, you'll be allocated a maximum talk limit. Once you reach this talk limit, you will have to top up or make a payment in order to continue to use the service.
- 3.10 **Payment in full.** You must pay the full amount on your monthly bill. If the charges are not paid in full and on time, we can stop you using some or all of our services. If you think there's a mistake on your bill, please tell us as soon as possible so we can check this.
- 3.11 **Paying an account on your behalf.** Whilst you may ask someone else to pay your account, we will always hold you liable.
- 3.12 **Debt collection.** If you do not pay your account on time you'll be in breach of this agreement and we may suspend your account until such time as all

outstanding amounts are paid in full. If you do not fix this breach and make payment of all outstanding amounts within 20 business days of us notifying you that you are in breach, we will immediately cancel this agreement. If you have agreed to pay by debit order, we may also, at our discretion, debit your bank account or credit card with the overdue amount and we will hand your account over to our debt collectors. This will affect your credit rating and you will be liable for all their charges, tracing fees, and legal fees on an attorney and client scale.

- 3.13 **Call records.** If we display call records on our website, the web page and its data will only be for your information and will not be a proper invoice.
- 3.14 **Roaming.** International roaming will be charged for at higher rates based on the rates we are charged by network operators outside SA when they bill us. These network operators may bill us some time after your return – this can be as long as 3 months later! You may only have international roaming if you are a Contract customer and you may need to pay an activation fee to us before you can roam, which we will use to set off to your future accounts. Please see our website for further terms and conditions relating to international roaming.
- 3.15 **Tax.** You must pay all taxes, including any VAT applicable to the service, which will be added to your charges.
- 3.16 **Sending messages.** If you send an SMS or MMS, we will charge you when you send that message.
- 3.17 **VAS.** We will charge you for data services according to your rate plan and for content downloads as described in the terms applying to each content download.
- 3.18 **Migration.** You may migrate from Contract to Prepay or the other way around. If you want to migrate from Contract to Prepay, you can request this once a month, which will be effective immediately. You will be required to pay all outstanding charges including but not limited to any amounts outstanding on your phone and/or modem, before the migration can take place. If you migrate from Prepay to Contract, we will need to credit check you. You can request this once a month, which will be effective during the first week of the following month. If you are on a Prepay package any airtime that you have on your old package will be transferred to your new package. Inclusive value linked to your original package will fall away.
- 3.19 **Forced migration.** We can stop you using the Contract option at any time and migrate you to a Prepay option.

4 Special terms: Prepay accounts

4.1 **Keep talking.** If you choose a Prepay option:

- (a) You will need to purchase a Prepay Starter Pack;
- (b) you must top up with airtime and/or data to use our services;
- (c) if you have a R0 balance, others can call you but you won't be able to make any calls or use other services, except to call the Customer Services department on 123 or *102*vouchernumber#" to top up, 121 for voicemail and emergency services on 112; and
- (d) an airtime window applies to all top up vouchers once they are loaded onto your phone or modem. On expiry of the airtime window, you will have to use top up vouchers to re-activate the service.

4.2 **Using top ups.** If you have loaded lots of top up and/or data vouchers, each new one will be activated on the day it was loaded. The voucher with the greatest airtime window will overwrite all other airtime windows and you will have to use all your airtime in that period. We do not accumulate the airtime windows.

5 Special terms: Contract packages

5.1 **Special services.** Some services may only be available to you if we agree to give you a Contract package - you need to be creditworthy to qualify!

5.2 **Credit checks.** If you choose the Contract option you must pass a credit check. If you want to change your service, add services, or increase your credit limit, we may credit check you again. We have the sole discretion to decide whether to grant you a Contract service or not. You consent to a credit check and to provide us with such information and documents, with your application as required by us.

5.3 **Monthly credit limit.** The monthly credit limit we place on your Contract package will apply to all services and will be in an amount we consider appropriate in our sole discretion. We will not be liable if you exceed the credit limit we have set from time to time, but you will be!

5.4 **Bills.** We'll usually send you a monthly bill for your use of our services. We may change the billing period at any time. Your bill must be paid on presentation unless we agree otherwise.

5.5 **Getting it to you.** You have an option to choose whether you want to receive your bill by email, mobi statement or post.

5.6 **Month to Month.** On expiry of the contract term applicable to the Contract package that you elected, the Contract package will continue on a month to month basis until you provide us with written notice that you want to terminate or renew the contract in writing.

6 **Special terms: Blackberry Internet Service (BIS)**

Blackberry Internet Services. The Blackberry Internet Service (BIS) allows you to surf the web and send and receive emails from your phone through the blackberry.net APN. If you download any data through the internet and not through the Blackberry.net APN, for example audio and video streaming, you will be charged at our normal data rates, which charges will be in addition to the BIS charges. Please see our website for further terms and conditions relating to Blackberry phones and the BIS. Please see our website for further terms and conditions relating to Blackberry and BIS.

You must pay the first instalment with your first bill and the remaining instalments by no later than the due date set out in the bills we send you. You may settle your outstanding instalments in full at any time. If you lose your phone or modem or it is stolen, you will still be liable for the outstanding balance.
- 8.3 **Paying up.** The full outstanding amount owing on your phone and/or modem will immediately become due and payable if: (i) you migrate from Contract to Prepay; or (ii) Contract to Top Up; or (iii) Top Up to another package including another Top Up or (iv) you port-out or (v) you cancel your account with us or (vi) you do not pay an instalment when it’s due; or (vii) you breach this agreement in any other way.
- 8.4 **Risk and ownership.** We will own the phone and/or modem until you have paid for it in full, but you will be liable for the cost of the phone and/or modem from the time you receive it. While we own the phone and/or modem you

- 13.5 **Contributory carelessness.** Should you have a claim against us arising from or in connection with this agreement, to the full extent permitted by law, our liability to you in contract, delict (including carelessness), under statute or otherwise, will be reduced by the extent to which you caused or contributed to the loss or damage. We aren't liable to you or any other person for faults or defects in services that are caused by your own conduct or misuse.
- 13.6 **Exclusions.** In all cases other than under clause 13.5, and to the extent permitted by law we exclude all liability to you or any other person for any costs, loss, expenses, or damage, regardless of the form of action, whether in contract, delict (including carelessness), under statute or otherwise, whether direct, indirect or consequential (including loss of profit, loss of business, or loss of anticipated savings, for example) and whether arising from or in connection with this agreement, including, but not limited to:

14.5 **Emergency calls.** If we suspend our service you can still make calls to emergency services.
